

## Walk from Drusilla's to the Horton Folly Tower.

Walk to the Folly Tower through fields and wood land – enjoy the peace and tranquility of the English countryside, climbing over 11 stiles along the way. **Sturdy footwear is strongly recommended.** All walkers follow these directions at their own risk – Drusilla's accepts no responsibility for any mishaps of any kind! The walk takes between 1 – 1 ½ hours at a moderate pace including many stops to admire the views!

- Looking at the tower turn left and walk along the road for approx 100 yards. Turn right at the foot path sign and climb over your first stile.
- Walk along the right hand hedge and climb over stile number 2. Continue following the hedge until you reach a pair of stiles (numbers 3 and 4) on your right.
- Climb over these stiles then follow the hedge on your left - climbing over stile number 5 when you get to it.
- Continue until you reach stile number 6 (with a yellow foot path marker), climb over this to enter the forest.
- Follow the path as it bends right and continues through the forest.

- After a while turn right to follow the path between the fields and walk directly towards the tower. Glance right to see Drusilla's .
- Pass the tower – continue straight on. Go through the gate, down the track and turn right at the road.
- Walk down the hill and climb over stile number 7 into the field. Follow the left hand hedge around the edge of the field and cross the concrete path heading for stile number 8 and the foot path signs. Cross the stile.
- Go straight across the field to style number 9.
- Cross the field diagonally (towards Drusilla's) to stile number 10.
- Cross the stile and follow the left hand hedge to reach the final stile – number 11. Cross this and turn right to follow the road back to Drusilla's.
- Reward all your hard work with some well earned refreshments. Drusilla's is open all day serving hot and cold drinks, bar snacks, and lunch and evening menus! Well behaved dogs are welcome in the bar area.
- Please return me to the bar so someone else can use me another day. Thank you.
