Julia's House is a charity that cares for life-limited and life-threatened children throughout Dorset and provides support for their families. The majority of these children are not expected to live into adulthood, which clearly places huge strains upon the family as a whole. Consequently, we provide those families with respite in their own homes and at Julia's House, Dorset's Children's Hospice.
To achieve this we rely heavily on the support of the community and so by sponsoring someone taking on a challenge for Julia's House you are directly helping us to care for many life-limited and life-threatened children throughout Dorset. Thank you!
